

Improving Instruction through Regional Data Initiatives Informational Webinars

To better inform interested applicants in the ARRA Title IID grant "Improving Instruction through Regional Data Initiatives," the following webinars have been scheduled:

- Tuesday, August 4, 2009, 10am – "General Grant Information"
- Thursday, August 6, 2009, 2pm – "Adding a Research Collaborative Partner"
- Thursday, August 20, 2009, 10am – "The role of Data for Student Success; Question and Answer"

The following call-in and WebEx information applies to all three webinars:

CALL-IN INFORMATION:

1-877-336-1831 Access Code: 1517765

WEB MEETING INFORMATION:

GO TO: <https://webmeeting.att.com> *(see note below)

MEETING NUMBER: 8773361831

ACCESS CODE: 1517765

*For those using AT&T's web meeting software for the first time, please download and install free software from the above ATT web address prior to the meeting.

Each call should last 60 minutes. Both the conference call and webinar have a maximum of 125 participants determined on a first-come, first-served basis. MDE intends to record and post the audio portion of each call along with the presentations used.

For support or questions on the webinars, please contact Leeanna Brunsell (brunsell@michigan.gov; 517-335-2957).
